STOPfakes IPR Roadshow

According to the Commission on the Theft of American Intellectual Property, U.S. businesses lost as much as \$600 billion in 2017 due to counterfeit goods and software piracy. The STOPfakes Roadshow will provide

information about both domestic and international protection and enforcement of intellectual property rights. Learn how to report IP violations, protect your business from trade secret theft, and protect your IP in export markets and e-Commerce sites. Benefit from on-site trademark/copyright recordation with U.S. Customs and Border Protection. Info [here](#).

NEWS AND EVENTS

Executive Briefing: Opportunities in the Angolan Market

One World Trade Center, Suite 240, Portland, June 28, 2018, 9:00 - 10:30 am

An economic briefing and market overview by the Honorable Martinho Bachi Codo, Consul General for the Republic of Angola, and shared experiences from representatives of local firms including Richard Turanski, owner & founder of Glorybee Foods, and Daniel Capua, President of American Angolan Agriculture, will provide an overview of the top markets in Angola and resources available to support Oregon businesses in targeting these export opportunities.
